

Digital Citizenship Umbrella

- Students and staff are bound by the Calgary Board of Education regulations at all times and in all spaces associated with the school. The Acceptable Use Policy gives specific details.
- The use of digital devices is allowed only with the specific permission of the school principal and teachers.
- The use of digital devices is a privilege and not a right.
- The use of digital devices is intended for educational purposes, not communication or recreation.

Students should expect to be challenged when using digital devices.

- Which staff member has given you permission to use the device?
- What is the purpose of you using the device?

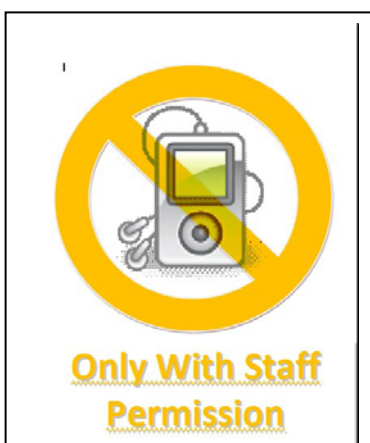

Cameras must not be used anywhere on campus without direct teacher permission. They must only be used for educational purposes.

Digital No Zone:

- The use of digital devices in these areas is not allowed.

Digital With Permission Zone:

- The use of digital devices is allowed with specific teacher permission.
- I-pods (music devices) are allowed between classes and during breaks.
- **Phone Calls and texting are not allowed in this zone without specific teacher permission.**

- **Mobile phones and texting may be used after school, remembering that all use must be appropriate.**
- **I-pods (music devices) are allowed between classes and during breaks subject to CBE appropriate use policy.**
