

# ALS WINTER SPIRIT WEEK

Get your outfits ready coyotes!

## WEEK OF DECEMBER 15 - 19

### MONDAY

#### TEACHER/STUDENT SWAP

Dress like a teacher, and teachers will try their best to look like students—which means hoodies, backpacks, and maybe pretending we understand TikTok.

### TUESDAY

#### FLANNEL DAY

Time to unleash your inner lumberjack! Throw on your coziest flannel and join the halls of Arbour Lake as we transform into a warm, plaid-covered forest. Warning: sudden urges to chop wood or drink hot cocoa may occur.

### WEDNESDAY

#### CAREER DAY

Be anything you want... even a professional Netflix watcher or taco tester! Dress up as your dream job (real or totally made-up) and let's see who takes their future way too seriously—and who doesn't take it seriously at all!

### THURSDAY

#### HOLIDAY SWEATER DAY

The uglier, the better! Bring out your tacky, jingly, over-the-top holiday sweaters and see who can wear the most festive disaster. Bonus points for lights, tinsel, or anything that jingles when you walk!

### FRIDAY

#### PJ DAY

Roll out of bed and come to school like you just woke up... because you did! Onesies, fuzzy socks, and messy hair welcome—just try not to fall asleep in class!
