Dear Parents/Guardians,

This week has been filled with exciting activities for our students! The Grade 9s had a fantastic trip to Ralph Klein Park, while the Grade 8s explored the wonders of Telus Spark. On the sports front, both our soccer teams saw success on the pitch, and the senior boys' basketball team is performing exceptionally well so far this season.

A big thank you to all the parents who attended the Parent Council meeting. Your support is invaluable, and our staff truly appreciates everything you do to help us in our work with the students.

Today was a Friday Buddy Day, where younger students partnered with older students to build effective paper airplanes. It was wonderful to see such teamwork, with plenty of paper creations around the school as a result!

As the weather is getting colder, please ensure your children dress appropriately for the season. Students will still go outside at lunch and for PE, and we only move indoors for lunch if temperatures reach -20°C. Please make sure they have proper jackets and shoes.

Have a great weekend and please feel free to email me at nmlisi@cbe.ab.ca if you need anything at all.

Dr. Nancy Lisi
Principal

ANNOUNCEMENTS & REMINDERS:

[School Fundraising Society – Casino Dates and Volunteering](#)

The Arbour Lake School Fundraising Society is organized by parents and plays a vital role in supporting our school and students by organizing various fundraising initiatives. Their efforts help provide additional resources and programs that enhance the educational experience for our students. One significant event they host is a casino night, which raises thousands of dollars for the school. This event relies heavily on the support of volunteers. If you're interested in helping out, please sign up using the link below. Your involvement makes a real difference!

Casino Night Dates: February 6 & 7, 2025

HEALTHY HUNGER – FUN LUNCH

Our Healthy Hunger program, organized by the School Council, is a popular initiative that provides a tasty treat for students and a welcome break for parents.

This program relies on parent volunteers to help organize and distribute lunches to homerooms. If you're able to attend, please sign up using the link below. If you've previously volunteered with us, we'd love to have you back. If you're new to the process, feel free to contact the main office to learn how to get involved.
